

IN THE SPECIFICATION

Page 10, line 12, please add the following paragraphs:

Figure 12 is a diagram showing a computer.

Figure 13 is a diagram showing various computer readable storage devices.

Page 10, at line 22, please add the following paragraph:

As mentioned above, one implementation of the invention is a method. This method includes certain operations, described in more detail below. In addition to this method, there are other embodiments. One example is a computer (Fig. 12) including a digital data storage and a digital data processor programmed to perform the foregoing operations. A further embodiment relates to a computer readable storage device (Fig. 12) containing one or more programs executable by a computer to perform the stated operations.
